

Andrew

Andrew is a Myanmarese Refugee who ended up on the streets after being cheated by an agent. He developed an alcohol addiction during this time. He is the first fruit of Hope Street Ministry. We met Andrew a few weeks after we started ministering in Kota Raya. He came faithfully every time we were there. We prayed and counseled him about getting a job and overcoming his addiction. Praise be to God, Andrew is now working in a restaurant in Kajang.
