

Uncle Yeoh

His name is Yeoh Hing Kuee. He collects recyclable items to sell and sustain himself for the day. During one of our Street Ministry, he was very sick and had a poor appetite. We prayed for him and then took him to a nearby clinic. That simple act of love moved him and he felt the genuine love of Christ that was shown towards him. A couple of weeks after that incident, he came and asked us for a bible. This is just a start of greater things to come. Our prayer is that through the Word he will discover Christ and his life will be renewed.
